RYANSYTSMA
GRAPHIC DESIGNER

OBJECTIVE

To integrate my creative, artistic strengths, and experience into a career that offers advancement and growth amongst a dedicated team of oriented peers.

PROFESSIONAL PROFILE

Currently residing in Houston, Texas, I am a creative thinker, dynamic leader & UX/UI master. I am capable of managing a team & producing high quality creative, in multiple mediums & platforms.

I enjoy the creativity & production of design. My favorite part is seeing my ideas become realities.

SKILLS & SOFTWARE

Driven professional with 5+ years experience in graphic design, print production, advertising, and web design. Demonstrated proficiency in Adobe Illustrator, InDesign, Photoshop, HTML and CSS have allowed me to “fast track” to a senior professional level. Comfort and experience using Macintosh and Windows operating systems.

EDUCATION

BACHELORS OF FINE ART

Graphic Design emphasis.

MONTANA STATE UNIVERSITY

MAY 2006

Related courses include graphic design and other related visual arts and communications techniques
